For over 100 years the 'Shamrock' has presided majestically over the heart of Bendigo. Its five stories of grandeur offer entertainment, great dining and accommodation in the true 'Spirit of Bendigo'.

While the exterior and the great dimensions of the public rooms are pure 19th century, there is a distinctively Australian feel to its wide encircling verandah – an ideal spot to watch the sunset and enjoy a pre-dinner drink.

Your accommodation choices at The Hotel Shamrock range from suites with comfortable private lounge areas and spa baths, to standard rooms, all are tastefully furnished, with fine quality linen, and include fridge, tea and coffee making facilities, colour TV, radio, phone, alarm clock and personally controlled air conditioning and heating. When you venture out into our grand lounges, you can make your entrance either down the grand staircase, or more discreetly in our modern lift. If you have arrived by car, you will also appreciate the adjacent secure, undercover multi storey car-park available to our guests.

Conferences, Events and Weddings are also a speciality when it comes to turning a day into a memory. With friendly professional staff and the use of modern facilities, you can be assured that your guests will enjoy their time at The Hotel Shamrock.

The Shamrock Saloon on the ground floor is open for breakfast, lunch and dinner with the ambience being smart casual. It features fresh local produce and a selection of the great wines.

The newly renovated Victorian Wine Room on the first floor has more to offer than meets the eye. With traditional seasonal menus using local produce, and a personalized service, you can dine indoors or take in the views on the famous Shamrock balcony. Our extensive 'Victorian only' wine list adds to the complete dining experience.
