Experience the craft of the Artisan winemakers of the Bendigo region with a guided winery tour of our district.

Our philosophy is to have you leave our bountiful region having indulged in a most memorable visit to a selection of our boutique wineries which draws you back for future vintages.

The half day luncheon tour takes in 4 wineries, a sumptuous lunch including wine and afternoon tea. Or perhaps our afternoon tour taking in 3–4 wineries and afternoon tea would interest.

We also offer special occasion tours tailored to your requirements and gift certificates for that special person.

Exceptional wines, fantastic food and magnificent scenery, cradle Victoria's heritage and cultural centrepiece... Bendigo.

Come and experience with us.
