The Margaret River Wine Region has over 80 cellar doors, where you can sample the world class wines the region is famous for. At many of the wineries you can enjoy tasting platters featuring local cheeses and produce, or relax at one of several winery restaurants. This tour provides you with a route to follow and some cellar doors to stop in along the way. Be sure to pick up a **full colour map** from the Busselton or Dunsborough Visitor Centre before you start.

This tour focus' on some of the wineries within the Wilyabrup sub-region, and it recommends following the more scenic route along Caves Road. Your first stop can be the **Clairault Winery**, located on Henry Road. Visit the modern cellar door to enjoy sampling Clairault's award winning wines, and stay a little longer to discover the taste sensation of unique Australian cuisine matched with these wines, at their restaurant.

From Clairault head back onto Caves Road and continue a little further down until you come to **Moss Brothers Winery**. Moss Brothers has an outdoor picnic area, and offers Bona Vista Frontignac Fortified Wines and Barrel Tastings. Established in

1984, the winery continues to be operated by the Moss Family.

From Moss Brothers, continue along Caves Road to Harmans South Road, and turn left to stop at **Bettenay Wines**- another family run winery established in 1989. Here you can enjoy 'Lost Plot' chili infused Rose, and view various artworks and Jewellery on display at their architecturally designed cellar door.

From Bettenay's head back to Caves Road and continue until Fifty-One Road on your left. This will lead you to **Cape Grace Wines**. Meet the owners Karen and Rob Karri-Davis at their cellar door, surrounded by natural bush land and spring wildflowers. Cape Grace Wines are only available from the cellar door, so be sure to sample their award winning basket pressed Shiraz and Cabernet Sauvignon.

From Cape Grace Wines take a leisurely drive back to your accommodation either via the Bussell Highway and the town of Cowaramup, or back along Caves Road.
