

“Intoxicating the senses...  
...consuming Taste of Life!”

Fine Wines

Gourmet Dining

Local Delicacies

Olive Oil & Cheeses

Superb wine and delicious foods have long characterised the region. Let your senses be your guide and indulge in a few of the finer things in life on this wine and food trail.

### Day 1 Margaret River Wine Region

Base yourself at one of the many excellent accommodation venues in the region. From resorts to vineyard chalets, bed and breakfasts to eco retreats, the *Dunsborough Visitor Centre* (see page 53) can help secure the right accommodation. Travelling along Caves Road you will be spoilt for choice with wineries, breweries and local food producers dotted either side of the road. Just 15 minutes from Dunsborough is *Wills Domain* (see page 38). The newly renovated Cellar Door and Restaurant boasts breathtaking views and is the perfect place to enjoy lunch. Order off their a-la-carte menu or choose one of the sumptuous gourmet platters. Whatever you do, don't leave without trying their 100% estate grown, award-winning wines.

### Day 2 Margaret River – Dunsborough

Pick up at Caves Road where you left off and head towards Margaret River. Between wine tastings, drop in at a gallery or two and be amazed at the works of jewellers, sculptors, painters and more. Be sure to explore the side roads on your drive where

you will find a host of gourmet goodies including cheeses, olives and olive oils, venison, fudge, chocolate, nuts, candy and ice-cream. Finish the day in Dunsborough at one of the tea or coffee roasting houses. If you're not too full from the day's indulging, dine out at one of Dunsborough's fantastic eateries.

*The loop from Dunsborough to Margaret River showcases some of the region's best produce.*

### Day 3 Margaret River Wine Region

Now you've experienced an array of produce the region has to offer, learn to cook with it! Some of the restaurants and cafés in the region offer cooking courses, teaching everything from basic meal preparation to specialist cuisine.
