Regional produce

GTA takes pride in promoting exceptional produce and as a result of its location specializes in showcasing Hunter Valley products.

GTA also sources quality produce from the Yarra Valley in Victoria and Tasmania.

Products

GTA Corporate or other gift packages include a selection of some of the following non-perishable, quality products. Many of these products have won recent Good Food Awards:

- *Premium quality wines of choice from the region*
- *Gourmet and balsamic vinegars, raspberry and herb vinegars and verjuice*
- *Extra virgin olive oils, olives, olive mustards and tamponades*
- *Pecan and quince pastes, jams, honey, Dukkah and macadamia nuts*
- *Fruit infusions and coffee*
- *Fruitcakes and specialty biscuits (Tasmania)*
- *Pickles, sauces, chutneys and relishes all made from quality local produce*

A detailed description and image of many of the products may be found on the Gourmet Tastes web site at: <http://www.gourmettastesofaustralia.com.au>

Packages

GTA has a range of premium presentation packs available in both cardboard and timber. Special packaging can be provided to your design requirements and can incorporate your company logo.
