MAP N/A

Whether you're looking for a business location, a place to live or a great holiday destination where you can enjoy a lifestyle second to none - Shellharbour City is the place to be.

The City is one of the fastest growing Local Government Areas in NSW, and is currently home to over 63,000 people.

As a progressive coastal City, Shellharbour has all the services and amenities you would expect in a thriving regional area.

The City's main retail shopping centre, Shellharbour City Centre, provides a premium shopping experience with over 120 speciality shops, two large major retailers, a food court and two grocery stores. Shellharbour Village offers unique boutique shopping while shopping malls are to be found at Albion Park and Warilla. Albion Park Rail and Oak Flats provide great neighbourhood shopping centres.

Shellharbour beaches offer family friendly patrolled swimming areas, fishing, great surfing and spectacular diving while parks, playgrounds and recreational areas are spread throughout the city.

The Shell Cove project is the largest tourist/residential development ever initiated by a local government authority in Australia, and is being jointly developed by Shellharbour City Council and Australand.

When completed, the \$1.5 billion development will create around 3,000 prime residential lots, a 300 berth marina constructed within an in-shore boatharbour, an 18-hole championship-standard golf course, community parks and playgrounds, cycleways and a range of quality commercial, retail, tourist, community and recreational facilities.
