

TWEED PRODUCE LIST

2008

Tweed Produce List

This list has been compiled by Tweed Tourism to:

- *facilitate direct links between the regions farmers, wholesalers and chefs,*
 - *raise awareness of what is available within the Tweed,*
- *increase the usage of local fresh produce in our restaurants and cafes,*
 - *decrease the need to transport produce in and out of the region,*
 - *assist in the promotion of the **Tweed** as a **Food Destination**.*

The list is by no means complete. If any farmers are interested in being involved please contact Joanne Gurney on P: 07 5536 4244 M: 0417 617652 E: operations@tweedtourism.com.au. Any feedback in relation to this project would be very much appreciated.
